Course list for February, March and April

Courses are held in our fully equipped training room within our shop. Tea and Coffee are provided during the day and you are asked to provide your own lunch which can be taken in the training room over the lunch break.

Course materials will be provided but some items you may be required to supply, please ask a member of staff.

All courses must be booked and a non-refundable deposit of £10.00 will be taken in advance to ensure your place on the day. The remaining payment will be due 5 days before the course day. Please call 02380 650808 to book your place.

FEBRUARY 2011

Beginners Patchwork & Quilting

Wednesday February 16th from 7pm to 9pm, for 8 weeks.
(Held every 2 weeks for a total of 8 evenings)

This is a course for beginners who wish to learn all the main aspects of patchwork & quilting. We will cover choice of fabrics & colour, the history of patchwork & also different methods of making and constructing a quilt. A fun course that leads to greater and bigger quilts.

Tutor: Linda Bowyer Course fee £ 100.00

Friday 11th February

OVERLOCKER Learn to love your overlocker. 10am till 4pm

Do you have an overlocker sitting in a cupboard or under a table not being used because you need to find time to sit and read the manual. Why not bring it along to the shop and have it serviced and then use it on the course.

Jan from Babylock will be showing you all the features of YOUR own machine and how to use them.

It's a very helpful and light hearted day and when you leave you will be putting your machine on top of the work table and not under it.

Tutor :- Jan from Babylock

February continued

12th February 2011

OVERLOCKER Foot Fetish Day

Get the most from your machine.

10am till 4pm

Jan from Babylock is running this course on how to use all the different feet available for your overlocker. You will be amazed at how versatile overlockers can be.

Tutor Jan from Babylock. Course fee £45.00

MARCH 2011

Thursday 10th March

Embroidery Machine Project Day

10am – 4:30pm

Bring along your Embroidery machine and computer (with software). We will be using the computer software and embroidery machine to make a project. So please come along with an open mind and lots of enthusiasm. (and a little bit of patience!) Please phone for more details.

Thursday 17th and Friday 18th March

Brother Sewing Machine Promotion

9:30am – 5:00pm

Gill Rogers from Brother Sewing Machines will be in the shop to demonstrate sewing and embroidery machines and to answer all your questions and queries about any of the Brother machines. A very useful day for any Brother owners.

APRIL 2011

Thursday 21st April

Jelly Roll Day

10:00am – 4:00pm

Come along with your sewing machine and we will make a single quilt from one Jelly Roll. You can choose from a number of designs to put it together so some extra fabric may be needed for certain designs. A good fun day, and a great start to learning about Patchwork and Quilting.
